

To the Judiciary Committee – Ms. Laura Handzel,
SB 525 expands the definition of "domestic violence" well beyond what any reasonable person would determine it to be. This is dangerous and counterproductive. Please remove this provision.

Right now, judges have virtually unlimited discretion to take away firearm's rights from people who have not been accused of, let alone convicted of, any crime, which, most certainly is an infringement upon the 2nd Amendment of the Constitution of the United States of America. The proposed "dash 1" amendment would correct this often abused activity, and allow an accused person to seek due process. I urge you to support this amendment if you move this bill forward.

Please put this email on the record.

Respectfully submitted,
