Re: SB 941

Honorable: Judiciary Committee

My family and I urge you to vote against SB941 for the following reasons:

1) There is no evidence that a law like this changes violent uncontrollable human offenses. Examples are: recent shootings in Stockton Ca., Washington State and Chicago IL.

2) If anyone is Hoplophobic please excuse yourself from voting on any and all firearms bills.

Ref: PH.D. Bruce N. Eimer

3) This is a clear move to confiscation of property, for more control over the average person, not a violent offender.

This is a prime prosocialist move, against the basic principles of Oregon and the United States.

If you are prosocialist please resign your political position at the earliest possible time.

4) If your vote is a sell out to the monies from Bloomberg Inc..

If this is your reason, please consider resigning your political position at the earliest possible time. You are not doing business in the best interest of the people of Oregon.
