

*To the Judiciary Committee,
SB 525 expands the definition of "domestic violence" well beyond what
any reasonable person would determine it to be. This is dangerous and
counterproductive. Please remove this provision.*

*Right now, judges have virtually unlimited discretion to take away
firearm's rights from people who have not been accused of, let alone
convicted of, any crime. The proposed "dash 1" amendment would
correct this often abused activity and allow an accused person to seek
due process. I urge you to support this amendment if you move this bill
forward.*

Thanks for your consideration on this. ~Glenn Wheeler, An Oregon
