

*To the Judiciary Committee,  
SB 525 expands the definition of "domestic violence" well beyond  
what any reasonable person would determine it to be. This is  
dangerous and counterproductive. Please remove this provision.  
Right now, judges have virtually unlimited discretion to take away  
firearm's rights from people who have not been accused of, let  
alone convicted of, any crime. The proposed "dash 1" amendment  
would correct this often abused activity and allow an accused  
person to seek due process. I urge you to support this amendment if  
you move this bill forward.*
