

*To the Judiciary Committee,  
SB 525 expands the definition of "domestic violence" well  
beyond what any reasonable person would determine it to  
be. This is dangerous and counterproductive. Please remove  
this provision.*

*Right now, judges have virtually unlimited discretion to take  
away firearm's rights from people who have not been accused  
of, let alone convicted of, any crime. The proposed "dash 1"  
amendment would correct this often abused activity and allow  
an accused person to seek due process. I urge you to support  
this amendment if you move this bill forward.*

*Thank you,*
