

*To the Oregon Senate Judiciary Committee,  
SB 525 expands the definition of “domestic violence” well beyond what any  
reasonable person would determine it to be. This is dangerous and  
counterproductive. Please remove this provision.*

*Right now, judges have virtually unlimited discretion to take away firearm’s rights  
from people who have not been accused of, let alone convicted of, any crime. The  
proposed “dash 1” amendment would correct this often abused activity and allow  
an accused person to seek due process. I urge you to support this amendment if  
you move this bill forward.*

*Thank you,*
