

Regarding Senate Bill 941.  
This bill, regarding the registration of  
firearms will do nothing to hinder the  
commission of crimes in Oregon.  
Rather it will further infringes on the  
rights of law abiding citizens.  
I urge you to not support this bill in any  
way, because it will not do what you claim  
it will do.  
Sincerely,

Dennis V. Sinclair
