

*To the Judiciary Committee,  
SB 525 expands the definition of "domestic violence" well beyond  
what any reasonable person would determine it to be. This is  
dangerous and counterproductive. Please remove this provision.  
Right now, judges have virtually unlimited discretion to take away  
firearm's rights from people who have not been accused of, let alone  
convicted of, any crime. The proposed "dash 1" amendment would  
correct this often abused activity and allow an accused person to seek  
due process. I urge you to support this amendment if you move this  
bill forward.*

*Also, please stop SB 913 as its language is basically ineffective at  
achieving what the bill intends and is an enforcement nightmare for  
both Law Enforcement Officers and the citizenry.*

*Thank you,  
Richard F. Jark  
Harbor Oregon*
