

*To the Judiciary Committee,
HB 525 expands the definition of "domestic violence" well
beyond what any reasonable person would determine it to
be. This is dangerous and counterproductive. Please remove
this provision.*

*Right now, judges have virtually unlimited discretion to take
away firearm's rights from people who have not been accused
of, let alone convicted of, any crime. The proposed "dash 1"
amendment would correct this often abused activity and allow
an accused person to seek due process. I urge you to support
this amendment if you move this bill forward.*

*Additionally; this bill could be used against one of the few
responsible parents remaining who might find necessity to
reprimand a child.*
