

I am writing in opposition to SB 941. If the petitioners are so confident that the people of Oregon want this bill, why the Emergency clause preventing a public referendum? That is arrogant and wrong!

Why no exemption for Oregon CHL holders, Curio and Relics or FFL dealers?

Is there a mountain of evidence indicating that lawful gun owners are selling to prohibited persons? No.

Even the chief petitioner of SB 941 admits that it will not stop criminals from buying illegal guns. SB 941 will only create a huge inconvenience and expense for lawful citizens all so a few career politicians can put a shinny trophy on their mantle that says "I did something against guns".

This is so typical of government. Fix something that is not broken with a solution that is worthless.
