

I won't be able to attend tomorrow's public hearing, so I would like to voice my SUPPORT for this bill. Oregon needs to legalize lane splitting. It will save lives of motorcyclists and even encourage motorists to pay more attention, such as learning to use their side mirrors more. Plus it will help motorcyclists avoid injury from rear-end collisions, and save air-cooled motorcycles when the weather is hot (not to mention the riders themselves). Thank you for your time!
