

"This bill is being unfairly rushed through the legislative process denying Oregonians their right to comment on the bill or to make any changes. This Bill has to be throughly read by all and hopefully "941 is OPPOSED" by a landslide. The rights of law abiding people are shrinking away and the "BAD GUYS" are going merrily on their way with no regard to any and all rules that you guys make up, They have no intension of registrying ANYTHING, which leaves the proper gun owner more and more vonerable every time one of these new gun rules go threw. thank you ,, BB
