

Senate Bill 941

This bill will do nothing to prevent crime in Oregon. Where are all these crimes with guns committed? Think gang-bangers care about laws regarding gun sales? We already have laws to cover criminals buying guns. They need to be enforced. Why punish honest gun owners?

This law is just another attempt--by the political party in power--aimed at law abiding citizens. The end goal will be gun registration, and government control.

By rushing the bill through, without giving citizens time to react, it's the type of politics citizens have become disgusted with. Oregon's version of Nancy Pelosi's "Hurry up and pass it so we can see what's in it."
