

I am outraged how this legislation is being pushed through at the expense and compromise of the Citizens of Oregon and the United States Of America. This bill does NOTHING to keep firearms out of criminals hands "THEY ARE CRIMINALS THEY DONT FOLLOW THE LAW". This bill will just make thing more difficult and have a unnecessary burden on law abiding Citizens. If you put more effort in harsher punishment to criminals that break the existing laws we have vs trampling on the rights of law abiding Citizens we might get somewhere but if we start going down this path it just starts to put all citizens in jeopardy to harm. Because it goes to a road of law abiding citizens not being armed and criminals being the only ones that are armed because they never follow the legal way only law abiding citizens do so this bill only hurts the law abiding that follow the law. Stop this bill and protect the rights of Oregonians that are barely being heard because this legislation is being pushed through without Oregonians have true due process of being heard.
