

I stand in opposition to universal checks.

I,ve been free to lend,give,sell,and bequeth my posetions for 68 years.

My father ,and his four brothers fought for this freedom in WW2,as I did in Vjet Nam.

This freedom will not be nullified by leftist,oath breakers,bought by Bloomberg,and other vermins' cash.

Simply put,a lot of bike path,and light rail money,will be spent jailing people like me.I WILL NOT COMPLY!!!!
