

I oppose any changes to my 2nd amendment rights, I urge the Judiciary Committee to postpone this damaging bill to our gun rights. Or just Say **NO !**

There are already background checks in place for those who are buying a gun, this law would do nothing to reduce crime, however this bill will make criminals out of law abiding citizens who's only crime would be to loan or give a gun to their children or friend.

I will challenge any imitations to my rights that I was born with as a citizen of the USA.

Respectfully

Karl Thatcher
