

*“We will take America without firing a shot ... we will bury you!”*

*“We can’t expect the American people to jump from capitalism to communism, but we can assist their elected leaders in giving them small doses of socialism, until they awaken one day to find that they have communism.”*

*“We do not have to invade the United States, we will destroy you from within.”*

*This is a quote attributed to the late Soviet Premier Nikita Khrushchev.*
