Subject: Senate Bill 819

To: sen.TimKnopp@state.or.us

Hi Mr. Knopp,

I am writing you to urge you to support Senate Bill 819. I don't understand how we have allowed separate funding for different kids for so long. My children go to Yankton Authur academy in Saint Helens, OR and the school relies on volunteer groundskeeping, has zero security features, a volunteer secretary and broken playground equipment. Please support this bill.

Respectfully,

Nick Moore
