**EFFECT OF COMMITTEE AMENDMENT:**

**BACKGROUND:** ORS Chapter 334 regulates education service districts. Senate Bill 536 proposes to add to this chapter, requiring ODE to assist public education entities with developing regional service delivery systems for the purpose of providing efficient and effective services for public education entities. The bill requires ODE to award grants to entities to assist with the payment of expenses incurred by the entity while developing a regional service delivery system. For the biennium beginning July 1, 2015, Senate Bill 536 requires that \$300,000 be appropriated to ODE out of the General fund to be expended on these grants.
