**Subject:** NO on SB 748

I would like to express my disagreement with SB 748 and please share this with Senator Edwards and his committee. I am part of a farm family working on the land for 100 years in the Willamette Valley and in Coos County before that.

Agriculture is Oregon's second largest industry. I believe this bill seriously threatens our land use laws and the ag industry that supports many jobs already here.

Thank you  
Kathleen Carl
