To:

Senate Environment Committee Beth.Reiley@state.or.us

Senate President Peter Courtney Sen.PeterCourtney@state.or.us

submitted via "Share Your Opinion" to Governor Kate Brown

Subject: SB 716

Memo:

The Rural Urban Reserve process for the Metro Area (Washington, Clackamas and Multnomah Counties) was concluded with the Grand Bargain in 2014 House Bill 4078. Each of the Metro Counties, Metro, House (59-0 vote), Senate (30-0 vote) and the Governor signed off on it, April 1st 2014.

This was a deal between all parties. "A Deal Is A Deal!"

Please do NOT hold a work session on SB 716 and just let it die!

Thank you,

Larry Duyck
