

Subject: Opposed to SB895 & SB895-3

Dear Senators:

I oppose SB895 and SB895-3. SB895-3 is just a reiteration of the *previously defeated* SB442-3, which I already voiced my strong opposition to.

Please do not vote for SB895 or SB895-3 (or whatever amendment number it takes on next).

As a voting, tax-paying Oregonian, frankly, I am dismayed and appalled that this amendment is again being introduced, just in another committee and under another bill.
