Subject: SB 748

Dear Senators,

I cannot attend the hearing on SB 748, but would have wanted to be there. Here is the main thing I want to have said:

I urge you to oppose SB 748. The legislature already passed SB 611 to help these communities. There are other ways to help rural communities that don't endanger our wonderful land use system. SB 748 could have drastic consequences once enacted. Please oppose it.
