**Subject:** Be A Leader For Oregon - Pass HB 3250

Hi Ms. Patrino:

I am a avid supporter of Oregon Climate, who is pushing for passage of HB 3250, the cap and dividend initiative currently working its way through the legislature.

Your support and encouragement to pass this bill is truly appreciated by all Oregonians. Global climate instability affects all species, and the time to grab the bull by the horns is now.

Best Regards,

Dana
