Dear Ms. Raska,

My name is Alessandro Cicarelli and I writing from Connecticut to express concern over a new bill HB 3515 regarding the future of Oregon's wolves. I hope that the House Agriculture and Natural Resource Committee will oppose the bill and introduce measures to protect the state's natural heritage including wolves. We have a responsibility whether in Oregon or in my home state of Connecticut to be stewards of nature's wonders for future generations.

Thank you for your time and consideration in reading my email.

Sincerely,

Alessandro William Cicarelli
