RE: HB 2322 -1 amendment

OACCD RESPECTFULLY REQUESTS A POSITION ON THE TASK FORCE ON THE GARNISHMENT OF INMATE PROPERTY.

Community Corrections agencies provide community supervision including parole, post prison and probation services in all 36 Oregon counties. Community Corrections is tasked with helping the offender to successfully transition from prison to the community. We work with offenders to ensure they repay restitution, pay rent and other obligations as well other fines and fees.

As the agency responsible for managing this transition, we have a vested interest in participating in the conversation that shapes what resources offenders have available upon release. We would appreciate being a part of the conversation to formulate the path forward on this issue.
