Dear Shelly,

As a native Oregonian, I can't think of a worse way to represent our wildlife diversity then House Bills 3515, 2050, 3140, 3188 and 3514. Please recognize that our great state is a sanctuary for all wildlife and our future relies on a balanced ecosystem. Please vote no on house bills 3515, 2050, 3140, 3188, 3514 and don't hesitate to contact me if you would need any additional support.

Thanks you.

Sincerely, *Kevin*
