**Subject:** House Bills related to Oregon's wildlife.

Dear House Committee Member,

I am writing to urge the rejection of the House bills numbered 3515, 2050, 3140, 3188, 3514 which would expand the slaughter of Oregon's wildlife.

I oppose any expansion of the right to hunt wildlife in Oregon that is not related to providing food for human consumption.

I strongly support the diversity of wildlife that keeps something of a natural balance of animal population.

I am horrified at the dangerous capitulation to the hunting and gun lobby and the livestock industry that is behind these warped and unbalanced pieces of legislation.

Please kill these bills not Oregon's natural treasures.

Sincerely,

Michelle Hofmann
