

I as a citizen of Oregon implore you to NOT consider making SB 945 a law. It is ridiculous to think that you can regulate human beings into being safe. This bill is a waste of time and money. If you as a group want to make REAL change and care about the safety of minors you should be allowing the people, that love their families and children, to have MORE of their hard earned money so they can AFFORD to buy gun safes! I mean this with all sincerity, Matthew Lindsay
