**WHAT THE MEASURE DOES:** Clarifies university governing boards are included in list of entities that must continue to provide and improve upon course articulation and student transfer framework for Oregon’s post-secondary students.

**ISSUES DISCUSSED:**

**EFFECT OF COMMITTEE AMENDMENT:** Amendment (anticipated) replaces the measure. Provides technical fixes to university governance revised by SB 270 (2013) dissolution of Oregon University System (OUS) and State Board of Higher Education (SBHE). Removes or re-delegates rights, roles, and responsibilities formerly held by OUS and SBHE.

**BACKGROUND:** Senate Bill 270 (2013) established governing boards for the University of Oregon and Portland State University, while providing a process for other universities in OUS to also establish independent institutional boards. This restructuring of university governance ultimately led to the dissolution of OUS and State Board of Higher Education (SBHE), but numerous references to OUS, SBHE, and the OUS Chancellor remain in statutes.

At the request Interim Committee on Education and Workforce Development, an informal work group met three times to review all relevant statutes that reference OUS, SBHE, and/or OUS Chancellor. The work group consisted of committee staff, as well as representatives from the office of Legislative Counsel, Higher Education Coordinating Committee, and Counsel for OUS. Senate Bill 80 addresses higher education governance.
