STATE OF OREGON  
Legislative Counsel Committee

April 17, 2015

To: Senator Arnie Roblan  
From: Hannah Lai, Senior Deputy Legislative Counsel  
Subject: Senate Bill 820 Amendments -5

Enclosed are the -5 amendments to Senate Bill 820.

The amendments refine the term "historically underserved students." The definition is based on rules adopted by the State Board of Education (see OAR 581-017-0301). I slightly adjusted the definition to clarify that a factor such as race would not be the only factor considered for the weighted lottery. I believe that these amendments would survive a constitutional challenge.

Please let me know if you have any questions.
