

Email strand showing Mr. Hauth requesting to receive fair and equal treatment like the other "BE Managers", since her email was titled "BE Managers" and came from the same email address she utilizes as a BECC member. This is the email that Ms. Carla McQuillan condensending responds to "unprompted" by Mr. Hauth, and also inappropriately cc's others not originally involved. This email below is what Ms. McQuillan phrases as "bullying" by Mr. Hauth. Ms. McQuillan holds a "position of power with the OCB", as a Commissioner and Ms. Miranda holds a "position of power with OCB", as a BECC member - Mr. Hauth does not as a BE Manager. Dear Ms. Miranda:

The email below is addressed to "BE Managers", however, I and another BE Manager (Lin Jaynes) have been excluded as recipients from it. I had to receive the email you sent to "BE Managers" in another manner.

It is rather concerning that I am being targeted and singled out to not receive an email addressed to "BE Managers". For the record, I like the others your email is addressed to, am a "BE Manager" and have been for quite some time. I expect fair and equal treatment as given and provided to the other "BE Manager(s)".

Sincerely,

Randy Hauth - Licensed Blind Vendor

BE Manager, Oregon
