Subject: House Bill 3515

Dear Rep. Witt and Shelley,

I am writing this afternoon after just learning that there is a hearing for 5 House Bills, 3515, 2050, 3140, 3188 and 3514, this afternoon.

Unable to attend, I wish to pass on my concerns.

House Bill 3515 will prohibit Oregon from ever protecting gray wolves under the state Endangered Species Act, which I disagree with.

The other bills unfairly target cougars and other native predators, which all have important roles in our overall healthy ecosystem, which as we know, is a fine balance.

Please oppose these bills.

Thank you for your time and consideration,
