----- As Oregon Legislators consider SB 941 it must be pointed out, The national trend in Gun Rights is fewer restrictions, not more. Oregon is headed in the wrong direction as this Pew poll shows <http://www.pewresearch.org/data-trend/domestic-issues/gun-control/> When you read the Complete data set it is Clear <http://www.people-press.org/2014/12/10/growing-public-support-for-gun-rights/> Oregon Legislature is Wrong about what Voters want in the personal liberty's of citizens. Vote no on SB 941 and its companion bills.
