

I urge you to vote no on this bill. It is not going to keep criminals from getting firearms. All it does is come down on responsible firearms owners. It goes against the 2nd amendment. Listen to the people of Oregon, they are against this bill. The way this bill is being rushed through is not ethical. Every time I see a bill come up in our country it seems to be one that is aimed at taking away our rights, this has to stop. To close criminals are not going to be doing background checks. So many Sheriffs departments in Oregon and counties are against this bill. Do I think my letter will have any impact, probably not. Our representatives need to start listening to what the people want not what is just on their own agenda. There are many reasons why this bill will not accomplish anything, except as I stated make it hard on responsible firearms owners. Think before you vote.
