

# I Support SJR5. Limit Big Money in Politics. Democracy by the People and For the People

Madame Chair, vice chair, members of the Committee,

My name is Anita Owen. I am a senior citizen in Salem near Bush Park, who fears that our precious "Democracy by the people and for the people" has been destroyed by big moneys influence that drowns out my voice and the voice of the people.

I support SJR5 and limiting big money in politics so that the voice of all citizens can be heard more equally.

I want to see Oregon legislators elected that always put people first and who are not being bribed and media manipulated by big money campaign contributions to put moneyed interests first.

I want to thank all of you who choose to put "Democracy by the people and for the people" first and choose to vote yes on SJR5, referring to the voters a constitutional amendment that authorizes the Legislature to set contribution limits..
