

Dear Sirs:

SB 941 does nothing to little the public and does almost nothing to keep firearms out of the hands of miscreants. Sen. Thatcher offered an amendment that would have put some usefulness into this bill, But Sen. Prozansky would have nothing to do with it. He is unclear of the facts in the matter and is making this an act of politicking, and not a decision representing the people of Oregon and his constituency. This does no more than tie the hands of honest people who wish to protect their 2nd amendment rights. I strongly OPPOSE SB 941 .

Very respectfully,
