

Honorable Sirs;

As written SB 941 will almost be impossible to enforce and will not be obeyed and is an unfunded mandate.

It is directed at good citizens not criminals. A feel good do no good, answer to stop gun violence.

You need to try serious gun control ie steal a gun and convicted, life in prison... Use a gun in a crime life in prison if convicted...

Kill some one with a gun unjustifiable and convicted, death penalty... all three minimum sentences!!!!!!!!!!

These are all the gun laws you need.

Thank you
