

Dear Representatives,

I am a native citizen of Oregon and I ask you to vote no on this bill. Law abiding gun owners should not be taxed and registered for transferring a firearm. This bill dishonestly declares "an emergency" over, and creates a new "crime" out of, what has been a common practice in our state since its founding.

Please vote "NO" on SB 941.

Thank you,
Mark Byram
Portland, OR 97266
