

I oppose SB 941A, we all know this bill will not keep firearms from felons and criminals. We have laws on the books that already make it illegal to sell firearms to felons and criminals, let's enforce those laws, we don't need more. I am appalled that you would threaten the law abiding citizens with fines and jail time if they don't comply to this useless gun bill. In my opinion, when you put an emergency clause on a bill, to keep we the people from voting on it, it's a form of tyranny. If you think 80% of Oregonians want this expanded background check, than put it up for a vote, by we the people. This is exactly what's wrong with Oregon, some of you partisan politicians think you can do what ever you want, because ignorant voters aren't paying attention. Once again, I oppose this bill.
