

I am opposed to passage of SB-941; Universal Background check. This bill will do nothing to stop the sale, transfer etc. to criminals, felons or other undesirables because it is unenforceable and is based on the false pretense that it will stop gun crime. Nothing could be further from the truth. Honest citizens are the only ones who will comply and be wrongly impacted. The only real reason for this bill will be to compile a database for future gun registration and eventual confiscation.

In a couple of years (maybe less) legislators will return with another proposal which will further the agenda of gun confiscation much like what has occurred in California. I urge you to vote against the passage of SB-941.

Thank you for your consideration. Jay L. Dunbar. Lake County resident.
