

As I have written my representative, this is insane!!! So you are telling me with this bill, I could have my gun rights taken away and thrown in jail if my son and I want to go hunting and I loan my gun to him to go for the day. it says you have to go to a gun dealer if you loan your gun.... how does this help stop criminals???? this is only taking away my 2nd amendment rights. please DO NOT PASS THIS BILL.
