

As a lifelong Oregonian as well as an Ore CHL , Utah CFP holder and an Army Veteran. I strongly oppose the way this is written. I'm not opposed to tightening of background checks but I am opposed to the way this bill is written making it illegal to loan your best friend or other members of a shooting group you belong to a firearm without a check and/or transfer. I feel this bill only puts more restrictions on many of us who belong to shooting groups and gun clubs and enjoy shooting in our leisure time.
