## Effective bird and wildlife control is once again available, without the red tape!

The first line of defense in any bird and wildlife control program, pyrotechnics have long been regarded as the tool of choice by wildlife professionals for the harmless, effective dispersal of birds and wildlife pests. The Scare-Away line offers top quality products, and low prices, supported by Reed-Joseph's exceptional customer service.

All our pyrotechnic products are solely for agricultural/bird and wildlife control, and a [Wildlife Control Statement](#) must be registered with our company before any pyrotechnic orders are shipped.

### Bird Banger and Screamer Siren do not require a License.

#### BIRD BANGER (\$50 per 100 rounds)

An excellent tool to scare birds and wildlife from crops, landfills, fish farms and feed lots. Launched from a Single, Double or Seven Shot Launcher with the aid of a 6 mm primer, the 15 mm Bird Banger travels 50 to 125 feet before exploding with a loud report.

## Screamers

**PURCHASE OF THIS PRODUCT DOES NOT REQUIRE A FEDERAL EXPLOSIVES LICENSE FROM ATF**

Screamers produce a loud screeching noise through complete travel. In low light they have a visual effect. With a range of 250' to 300', these unique pyrotechnics produce an unusual, alarming sound creating an immediate fear reaction in birds and animals. Screamers are launched from a single, double, or multi-shot launcher using a 6mm Safety Blank.
