Kristen: It appears as though some decision has been made by you as to which items were within the scope of the requests or otherwise protected. That is proper and I respect that is your duty. I will likely petition for review by the DA but will await the Commissioners response to our proposal before doing so. Tom Peachey

Hi Tom,

As I have communicated to you previously, you were supplied all existing texts pertaining to public business from the Commissioner's private cellphones. I have attached the final set of texts that could be construed as pertaining to County business. With this, I consider this response complete.

Brad is in our Hood River office today, until later this afternoon, at which point he and I will review your proposal.

Please advise me if you have any additional questions at this time.

Thank you,

Kristen: This does not appear to be fully responsive to our requests. Specifically I don't see all of the texts I saw in the records at your office. If this response is what you believe to be complete please advise me of that fact. I would welcome the opportunity to discuss with you and Brad this issue and my proposal to the Commissioners sent last evening. Let me know a time that will work for you. Tom Peachey
