

TO: The Senate Environment & Natural Resources Committee

FROM: Gil Riddell, AOC Policy Director

SUBJECT: House Bill 2534A/rulemaking related to drones.

DATE: April 24, 2015

On behalf of the Association of Oregon Counties, representing all 36 county governments in Oregon, we request that the record show our **support for House Bill 2534A**.

The appropriate use of drones is already a pressing subject for public safety.

Rulemaking by the State Fish & Wildlife Commission will provide the details to the law that a statute cannot. And the Commission is expert in the subject matters of angling, hunting, and trapping.

Please send HB 2534A to the full Senate with a do-pass recommendation.
