Oregon Progressive Party Position on Bill at 2015 Session of Oregon Legislature:

Support: HB 3547

Dear Committee:

The Oregon Progressive Party officially supports HB 3547, which requires member of Legislative Assembly to file statement of paid political activity with Secretary of State if member, or immediate family member of member, serves as paid candidate campaign consultant.

In particular, we support the -2 amendment, which adds considerable clarity to the bill.

While this bill in no way solves the problems with lack of disclosure of political money in Oregon, it is a move in that direction.

Please include this statement in the legislative record for this bill.

Thank you.
