Revenue Summary

The Board is financed with Other Fund revenues derived almost exclusively from fees paid for professional licenses and examinations. The proposed ending balance, approximately \$500,000, is the equivalent of 4.7 months of operating expenditures. However, the Oregon Society of Certified Public Accountants sponsored SB 581 which would increase the fee for a CPA from the current \$160 to \$255. The increase is approximately 59.4% of the current fee. The fee for a CPA firm in Oregon would increase from the current \$175 to \$265 which is approximately a 51.4% increase. The 2015-17 biennium increase in the Agency's revenue is estimated to be \$403,500 and would increase revenues in the 2017-19 biennium by \$717,000 and will effectively increase the ending balance to 8.7 months of operating expenditures.

Summary of General Government Subcommittee Action

The Subcommittee approved a budget of \$2,471,473 Other Funds and 8.00 full-time equivalent positions for the 2015-17 biennium, which is a 7.3 percent increase from the 2013-15 legislatively approved spending level.

The Subcommittee approved the following recommendation:

- Package 100, Financial Investigator Position – \$205,714 and 1.00 FTE. This package makes permanent a current limited duration position established in the 2013-15 biennium to allow the Board to handle an increase in the number and complexity of complaints.

- Package 101, Contract Investigators and Attorney General – \$100,000. This package would provide the Board with contract investigators and the Department of Justice resources to help reduce the backlog of 87 cases.
