

PETITION FOR WITHDRAWAL FROM THE METROPOLITAN SERVICE DISTRICT (METRO)

Stephen L. Bates

Chief Petitioner

P O Box 339

Boring, Oregon 97009

(503) 663-6271

To: Metro Council  
Oregon State Legislature

cc: Clackamas County Board of County Commissioners

Date: January 8, 2015

Honorable Councilors, Legislators and Commissioners:

On behalf of the Community of Boring, I hereby submit this 75 Page Petition Document, which includes 64 two sided signature pages, for the following reasons:

- a) Half of Boring is within the jurisdictional boundaries of Metro and half of Boring is outside of those boundaries. This fact creates a divided community and fractured neighborhoods. All of the people of Boring are **not treated equally** as a result.
- b) In the event of incorporation, half of Boring will be subject to a comprehensive plan different than the other half of Boring, **solidifying the referenced inequality**. This will perpetuate division and conceivably, two separate majorities will emerge under a common jurisdiction.
- c) Over the past two years, there have been meetings, consultations and discussion which resulted in the passage of a Position Statement on January 7, 2014 to petition to withdraw from Metro.
- d) Over twenty volunteers circulated the petition and collected almost 700 signatures, **697** to be exact, which equates to about 30% of the registered voters in the withdrawal area.
- e) The petition was signed by Democrats, Republicans, Independents and Non-Affiliated Voters, making it a bi-partisan measure that is not a motion of a few, but the cause of many.
- f) This petition is submitted to right a wrong and create a sense of unity in the Boring Community and **establish equal treatment of all** within the Boring area for now, and for the future.
- g) House Bill 2640 has been filed with the Oregon State Legislature and it calls for the change of the Metro boundaries, removing Boring from the jurisdictional reach of Metro.
- h) Therefore, as the people of Boring have spoken with resounding unity, we hereby request your complete support for the passage of House Bill 2640 in the 2015 Oregon State Legislative Session.

Respectfully submitted,

Stephen L. Bates  
Chief Petitioner

**CHIEF PETITIONER'S STATEMENT  
PETITION FOR WITHDRAWAL FROM THE  
METROPOLITAN SERVICE DISTRICT (METRO)**

In 1977, the Oregon State Legislature referred to the voters statewide Measure 6 to form the Metropolitan Service District; and

The boundaries established by Representatives Glenn Otto and Mike Ragsdale for that measure were arbitrary and without reason; and

The Oregon State Legislature further identified the boundaries of the "Metropolitan area" as of October 4, 1997; and

Be it known that half of the community of Boring is within these boundaries and half of the community of Boring is outside these boundaries; and

The community of Boring has identified a desire to be completely outside of these boundaries.

Therefore, this Petition For Withdrawal From The Metropolitan Service District (Metro) has been authored by the Chief Petitioner and endorsed by the Boring Community Planning Organization.

The areas to be withdrawn are identified on the map identified as Exhibit 1 of this petition. These areas to be withdrawn are the portions of Boring east of the City Limits of Damascus to 312<sup>th</sup> Avenue and to the south of Orient Drive and to the north of Kelso Road.

Respectfully submitted,

Stephen L. Bates  
Chief Petitioner

**POSITION STATEMENT dated January 7, 2014**

The Boring Community Planning Organization hereby requests the efforts of:

The Clackamas County Board of County Commissioners  
State Representatives Bill Kenemer, Mark Johnson and Shemia Fagan  
State Senators Alan Olson and Chuck Thomsen

to support the introduction and passage of a Bill as follows:

**A Bill For The Change Of The Boundaries Of The Metropolitan Service District**

Whereas, in 1977, the Oregon State Legislature referred to the voters statewide Measure 6 to form the Metropolitan Service District; and

Whereas the boundaries established by Representatives Glenn Otto and Mike Ragsdale for that measure were arbitrary and without reason; and

Whereas, the Oregon State Legislature further identified the boundaries of the "Metropolitan area" as of October 4, 1997; and

Whereas half of the community of Boring is within these boundaries and half of the community of Boring is outside these boundaries; and

Whereas the community of Boring has identified a desire to be completely outside of these boundaries:

Be it resolved that the definition of "Metropolitan Area" in ORS 268.030(3) is hereby amended to read:

*"Metropolitan area" means that area which on October 4, 1997, lies within the boundaries of Clackamas, Multnomah and Washington Counties with the exception of the Boring area within Clackamas County. The eastern boundary of the "Metropolitan Area" within Clackamas County is the eastern boundary of the City of Damascus.*

Adopted by majority vote at its regular scheduled meeting, January 7, 2014;

Stephen L. Bates, Chair

**CHIEF PETITIONER'S STATEMENT  
PETITION FOR WITHDRAWAL FROM THE  
METROPOLITAN SERVICE DISTRICT (METRO)**

ORS 268.354 (4) (b) gives instruction for annexation to metropolitan service districts. In all of ORS Chapter 268, there is no reference or instruction for Withdrawal from a metropolitan service district. Furthermore, Metro President Tom Hughes advised in a letter dated September 23, 2013 that "most of our existing codes contemplate the process of including land in Metro, rather than withdrawal". Therefore, this Petition for Withdrawal of the Boring area from the Metropolitan Service District (METRO) is presented in good faith:

**To the Metro Council – Metropolitan Service District**

The signatories of this petition hereby request Withdrawal of the Boring area, as outlined in Exhibit "1", from Metro in accordance with ORS 268.347 to ORS 268.355. The Withdrawal of the Boring area is warranted due to indifference and lack of equal service. Furthermore, half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries. Therefore, this petition requests that the eastern Metro Boundary within Clackamas County be changed to the eastern boundary of the *City of Damascus*.

**To the Oregon State Legislature**

As half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries, the signatories of this petition hereby request Withdrawal of the Boring area from Metro. This petition requests a change to the definition of "Metropolitan Area" in ORS 268.020 (3) to:

"Metropolitan area" means that area which on October 4, 1997, lies within the boundaries of Clackamas, Multnomah and Washington Counties with the exception of the Boring area within Clackamas County.

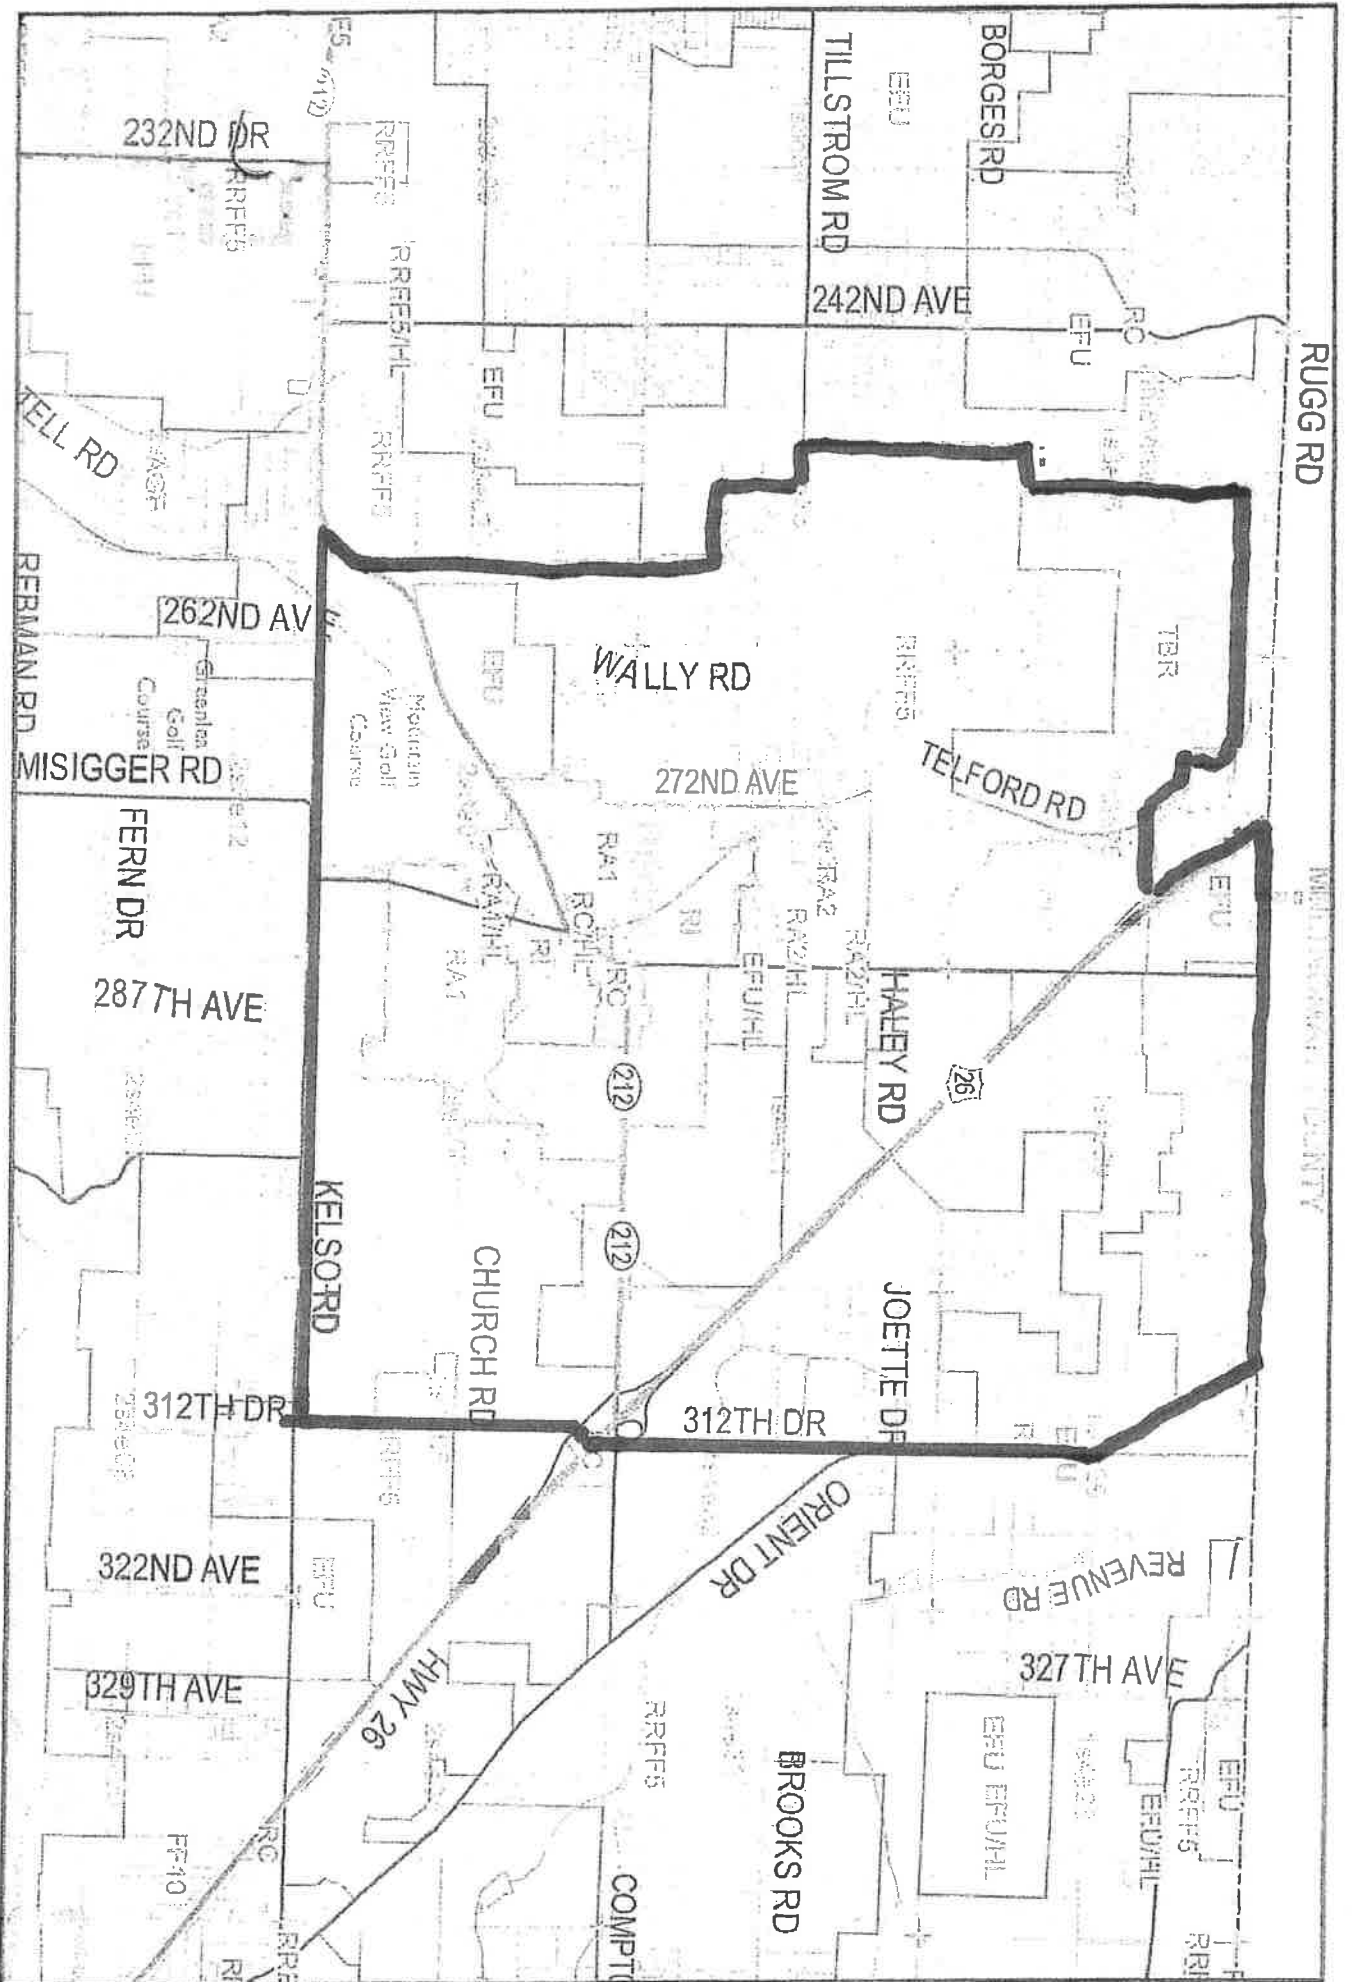

The eastern boundary of the "Metropolitan Area" within Clackamas County is the eastern boundary of the *City of Damascus*.

**PETITION FOR WITHDRAWAL FROM THE  
METROPOLITAN SERVICE DISTRICT (METRO)**

ORS 268.354 (4) (b) gives instruction for annexation to metropolitan service districts. In all of ORS Chapter 268, there is no reference or instruction for Withdrawal from a metropolitan service district. Furthermore, Metro President Tom Hughes advised in a letter dated September 23, 2013 that “most of our existing codes contemplate the process of including land in Metro, rather than withdrawal”. Therefore, this Petition for Withdrawal of the Boring area from the Metropolitan Service District (METRO) is presented in good faith:

**To the Metro Council – Metropolitan Service District**

The signatories of this petition hereby request Withdrawal of the Boring area, as outlined in Exhibit “1”, from Metro in accordance with ORS 268.347 to ORS 268.355. The Withdrawal of the Boring area is warranted due to indifference and lack of equal service. Furthermore, half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries. Therefore, this petition requests that the eastern Metro Boundary within Clackamas County be changed to the eastern boundary of the *City of Damascus*.

**To the Oregon State Legislature**

As half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries, the signatories of this petition hereby request Withdrawal of the Boring area from Metro. This petition requests a change to the definition of “Metropolitan Area” in ORS 268.020 (3) to:

“Metropolitan area” means that area which on October 4, 1997, lies within the boundaries of Clackamas, Multnomah and Washington Counties with the exception of the Boring area within Clackamas County.

The eastern boundary of the “Metropolitan Area” within Clackamas County is the eastern boundary of the *City of Damascus*.

The signatories of this petition hereby request Withdrawal of the Boring area, as outlined in Exhibit "1", from Metro in accordance with ORS 268.347 to ORS 268.355. The Withdrawal of the Boring area is warranted due to indifference and lack of equal service. Furthermore, half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries. Therefore, this petition requests that the eastern Metro Boundary within Clackamas County be changed to the eastern boundary of the *City of Damascus*.

**To the Oregon State Legislature**

As half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries, the signatories of this petition hereby request Withdrawal of the Boring area from Metro. This petition requests a change to the definition of "Metropolitan Area" in ORS 268.020 (3) to:

"Metropolitan area" means that area which on October 4, 1997, lies within the boundaries of Clackamas, Multnomah and Washington Counties with the exception of the Boring area within Clackamas County.

The eastern boundary of the "Metropolitan Area" within Clackamas County is the eastern boundary of the *City of Damascus*.

**PETITION FOR WITHDRAWAL FROM THE  
METROPOLITAN SERVICE DISTRICT (METRO)**

ORS 268.354 (4) (b) gives instruction for annexation to metropolitan service districts. In all of ORS Chapter 268, there is no reference or instruction for Withdrawal from a metropolitan service district. Furthermore, Metro President Tom Hughes advised in a letter dated September 23, 2013 that “most of our existing codes contemplate the process of including land in Metro, rather than withdrawal”. Therefore, this Petition for Withdrawal of the Boring area from the Metropolitan Service District (METRO) is presented in good faith:

**To the Metro Council – Metropolitan Service District**

The signatories of this petition hereby request Withdrawal of the Boring area, as outlined in Exhibit “1”, from Metro in accordance with ORS 268.347 to ORS 268.355. The Withdrawal of the Boring area is warranted due to indifference and lack of equal service. **PETITION FOR WITHDRAWAL FROM THE  
METROPOLITAN SERVICE DISTRICT (METRO)**

ORS 268.354 (4) (b) gives instruction for annexation to metropolitan service districts. In all of ORS Chapter 268, there is no reference or instruction for Withdrawal from a metropolitan service district. Furthermore, Metro President Tom Hughes advised in a letter dated September 23, 2013 that “most of our existing codes contemplate the process of including land in Metro, rather than withdrawal”. Therefore, this Petition for Withdrawal of the Boring area from the Metropolitan Service District (METRO) is presented in good faith:

**To the Metro Council – Metropolitan Service District**

The signatories of this petition hereby request Withdrawal of the Boring area, as outlined in Exhibit “1”, from Metro in accordance with ORS 268.347 to ORS 268.355. The Withdrawal of the Boring area is warranted due to indifference and lack of equal service. Furthermore, half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries. Therefore, this petition requests that the eastern Metro Boundary within Clackamas County be changed to the eastern boundary of the *City of Damascus*.

**To the Oregon State Legislature**

As half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries, the signatories of this petition hereby request Withdrawal of the Boring area from Metro. This petition requests a change to the definition of “Metropolitan Area” in ORS 268.020 (3) to:

“Metropolitan area” means that area which on October 4, 1997, lies within the boundaries of Clackamas, Multnomah and Washington Counties with the exception of the Boring area within Clackamas County.

The eastern boundary of the “Metropolitan Area” within Clackamas County is the eastern boundary of the *City of Damascus*.

**CHIEF PETITIONER'S STATEMENT  
PETITION FOR WITHDRAWAL FROM THE  
METROPOLITAN SERVICE DISTRICT (METRO)**

ORS 268.354 (4) (b) gives instruction for annexation to metropolitan service districts. In all of ORS Chapter 268, there is no reference or instruction for Withdrawal from a metropolitan service district. Furthermore, Metro President Tom Hughes advised in a letter dated September 23, 2013 that "most of our existing codes contemplate the process of including land in Metro, rather than withdrawal". Therefore, this Petition for Withdrawal of the Boring area from the Metropolitan Service District (METRO) is presented in good faith:

**To the Metro Council – Metropolitan Service District**

The signatories of this petition hereby request Withdrawal of the Boring area, as outlined in Exhibit "1", from Metro in accordance with ORS 268.347 to ORS 268.355. The Withdrawal of the Boring area is warranted due to indifference and lack of equal service. Furthermore, half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries. Therefore, this petition requests that the eastern Metro Boundary within Clackamas County be changed to the eastern boundary of the *City of Damascus*.

**To the Oregon State Legislature**

As half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries, the signatories of this petition hereby request Withdrawal of the Boring area from Metro. This petition requests a change to the definition of "Metropolitan Area" in ORS 268.020 (3) to:

"Metropolitan area" means that area which on October 4, 1997, lies within the boundaries of Clackamas, Multnomah and Washington Counties with the exception of the Boring area within Clackamas County.  
The eastern boundary of the "Metropolitan Area" within Clackamas County is the eastern boundary of the *City of Damascus*.

**CHIEF PETITIONER'S STATEMENT  
PETITION FOR WITHDRAWAL FROM THE  
METROPOLITAN SERVICE DISTRICT (METRO)**

ORS 268.354 (4) (b) gives instruction for annexation to metropolitan service districts. In all of ORS Chapter 268, there is no reference or instruction for Withdrawal from a metropolitan service district. Furthermore, Metro President Tom Hughes advised in a letter dated September 23, 2013 that "most of our existing codes contemplate the process of including land in Metro, rather than withdrawal". Therefore, this Petition for Withdrawal of the Boring area from the Metropolitan Service District (METRO) is presented in good faith:

**To the Metro Council – Metropolitan Service District**

The signatories of this petition hereby request Withdrawal of the Boring area, as outlined in Exhibit "1", from Metro in accordance with ORS 268.347 to ORS 268.355. The Withdrawal of the Boring area is warranted due to indifference and lack of equal service. Furthermore, half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries. Therefore, this petition requests that the eastern Metro Boundary within Clackamas County be changed to the eastern boundary of the *City of Damascus*.

**To the Oregon State Legislature**

As half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries, the signatories of this petition hereby request Withdrawal of the Boring area from Metro. This petition requests a change to the definition of "Metropolitan Area" in ORS 268.020 (3) to:

"Metropolitan area" means that area which on October 4, 1997, lies within the boundaries of Clackamas, Multnomah and Washington Counties with the exception of the Boring area within Clackamas County.

The eastern boundary of the "Metropolitan Area" within Clackamas County is the eastern boundary of the *City of Damascus*.

**CHIEF PETITIONER'S STATEMENT  
PETITION FOR WITHDRAWAL FROM THE  
METROPOLITAN SERVICE DISTRICT (METRO)**

ORS 268.354 (4) (b) gives instruction for annexation to metropolitan service districts. In all of ORS Chapter 268, there is no reference or instruction for Withdrawal from a metropolitan service district. Furthermore, Metro President Tom Hughes advised in a letter dated September 23, 2013 that "most of our existing codes contemplate the process of including land in Metro, rather than withdrawal". Therefore, this Petition for Withdrawal of the Boring area from the Metropolitan Service District (METRO) is presented in good faith:

**To the Metro Council – Metropolitan Service District**

The signatories of this petition hereby request Withdrawal of the Boring area, as outlined in Exhibit "1", from Metro in accordance with ORS 268.347 to ORS 268.355. The Withdrawal of the Boring area is warranted due to indifference and lack of equal service. Furthermore, half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries. Therefore, this petition requests that the eastern Metro Boundary within Clackamas County be changed to the eastern boundary of the *City of Damascus*.

**To the Oregon State Legislature**

As half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries, the signatories of this petition hereby request Withdrawal of the Boring area from Metro. This petition requests a change to the definition of "Metropolitan Area" in ORS 268.020 (3) to:

"Metropolitan area" means that area which on October 4, 1997, lies within the boundaries of Clackamas, Multnomah and Washington Counties with the exception of the Boring area within Clackamas County.

The eastern boundary of the "Metropolitan Area" within Clackamas County is the eastern boundary of the *City of Damascus*.

**CHIEF PETITIONER'S STATEMENT  
PETITION FOR WITHDRAWAL FROM THE  
METROPOLITAN SERVICE DISTRICT (METRO)**

ORS 268.354 (4) (b) gives instruction for annexation to metropolitan service districts. In all of ORS Chapter 268, there is no reference or instruction for Withdrawal from a metropolitan service district. Furthermore, Metro President Tom Hughes advised in a letter dated September 23, 2013 that "most of our existing codes contemplate the process of including land in Metro, rather than withdrawal". Therefore, this Petition for Withdrawal of the Boring area from the Metropolitan Service District (METRO) is presented in good faith:

**To the Metro Council – Metropolitan Service District**

The signatories of this petition hereby request Withdrawal of the Boring area, as outlined in Exhibit "1", from Metro in accordance with ORS 268.347 to ORS 268.355. The Withdrawal of the Boring area is warranted due to indifference and lack of equal service. Furthermore, half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries. Therefore, this petition requests that the eastern Metro Boundary within Clackamas County be changed to the eastern boundary of the *City of Damascus*.

**To the Oregon State Legislature**

As half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries, the signatories of this petition hereby request Withdrawal of the Boring area from Metro. This petition requests a change to the definition of "Metropolitan Area" in ORS 268.020 (3) to:

"Metropolitan area" means that area which on October 4, 1997, lies within the boundaries of Clackamas, Multnomah and Washington Counties with the exception of the Boring area within Clackamas County.

The eastern boundary of the "Metropolitan Area" within Clackamas County is the eastern boundary of the *City of Damascus*.

As half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries, the signatories of this petition hereby request Withdrawal of the Boring area from Metro. This petition requests a change to the definition of "Metropolitan Area" in ORS 268.020 (3) to:

"Metropolitan area" means that area which on October 4, 1997, lies within the boundaries of Clackamas, Multnomah and Washington Counties with the exception of the Boring area within Clackamas County.

The eastern boundary of the "Metropolitan Area" within Clackamas County is the eastern boundary of the *City of Damascus*.

**CHIEF PETITIONER'S STATEMENT  
PETITION FOR WITHDRAWAL FROM THE  
METROPOLITAN SERVICE DISTRICT (METRO)**

ORS 268.354 (4) (b) gives instruction for annexation to metropolitan service districts. In all of ORS Chapter 268, there is no reference or instruction for Withdrawal from a metropolitan service district. Furthermore, Metro President Tom Hughes advised in a letter dated September 23, 2013 that "most of our existing codes contemplate the process of including land in Metro, rather than withdrawal". Therefore, this Petition for Withdrawal of the Boring area from the Metropolitan Service District (METRO) is presented in good faith:

**To the Metro Council – Metropolitan Service District**

The signatories of this petition hereby request Withdrawal of the Boring area, as outlined in Exhibit "1", from Metro in accordance with ORS 268.347 to ORS 268.355. The Withdrawal of the Boring area is warranted due to indifference and lack of equal service. Furthermore, half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries. Therefore, this petition requests that the eastern Metro Boundary within Clackamas County be changed to the eastern boundary of the *City of Damascus*.

**To the Oregon State Legislature**

As half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries, the signatories of this petition hereby request Withdrawal of the Boring area from Metro. **CHIEF PETITIONER'S STATEMENT  
PETITION FOR WITHDRAWAL FROM THE  
METROPOLITAN SERVICE DISTRICT (METRO)**

ORS 268.354 (4) (b) gives instruction for annexation to metropolitan service districts. In all of ORS Chapter 268, there is no reference or instruction for Withdrawal from a metropolitan service district. Furthermore, Metro President Tom Hughes advised in a letter dated September 23, 2013 that "most of our existing codes contemplate the process of including land in Metro, rather than withdrawal". Therefore, this Petition for Withdrawal of the Boring area from the Metropolitan Service District (METRO) is presented in good faith:

**To the Metro Council – Metropolitan Service District**

The signatories of this petition hereby request Withdrawal of the Boring area, as outlined in Exhibit "1", from Metro in accordance with ORS 268.347 to ORS 268.355. The Withdrawal of the Boring area is warranted due to indifference and lack of equal service. Furthermore, half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries. Therefore, this petition requests that the eastern Metro Boundary within Clackamas County be changed to the eastern boundary of the *City of Damascus*.

**To the Oregon State Legislature**

As half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries, the signatories of this petition hereby request Withdrawal of the Boring area from Metro. This petition requests a change to the definition of "Metropolitan Area" in ORS 268.020 (3) to:

"Metropolitan area" means that area which on October 4, 1997, lies within the boundaries of Clackamas, Multnomah and Washington Counties with the exception of the Boring area within Clackamas County.

The eastern boundary of the "Metropolitan Area" within Clackamas County is the eastern boundary of the *City of Damascus*.

Therefore, this petition requests that the eastern Metro Boundary within Clackamas County be changed to the eastern boundary of the *City of Damascus*.

**To the Oregon State Legislature**

As half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries, the signatories of this petition hereby request Withdrawal of the Boring area from Metro. This petition requests a change to the definition of “Metropolitan Area” in ORS 268.020 (3) to:

“Metropolitan area” means that area which on October 4, 1997, lies within the boundaries of Clackamas, Multnomah and Washington Counties with the exception of the Boring area within Clackamas County.

The eastern boundary of the “Metropolitan Area” within Clackamas County is the eastern boundary of the *City of Damascus*.

**PETITION FOR WITHDRAWAL FROM THE  
METROPOLITAN SERVICE DISTRICT (METRO)**

ORS 268.354 (4) (b) gives instruction for annexation to metropolitan service districts. In all of ORS Chapter 268, there is no reference or instruction for Withdrawal from a metropolitan service district. Furthermore, Metro President Tom Hughes advised in a letter dated September 23, 2013 that “most of our existing codes contemplate the process of including land in Metro, rather than withdrawal”. Therefore, this Petition for Withdrawal of the Boring area from the Metropolitan Service District (METRO) is presented in good faith:

**To the Metro Council – Metropolitan Service District**

The signatories of this petition hereby request Withdrawal of the Boring area, as outlined in Exhibit “1”, from Metro in accordance with ORS 268.347 to ORS 268.355. The Withdrawal of the Boring area is warranted due to indifference and lack of equal service. Furthermore, half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries. Therefore, this petition requests that the eastern Metro Boundary within Clackamas County be changed to the eastern boundary of the *City of Damascus*.

**To the Oregon State Legislature**

As half of the Boring community is within the Metro boundaries and half of the Boring community is outside of the Metro boundaries, the signatories of this petition hereby request Withdrawal of the Boring area from Metro. This petition requests a change to the definition of “Metropolitan Area” in ORS 268.020 (3) to:
