# GA PRODUCES THE PILOTS OF TOMORROW

- Commercial pilot jobs are no longer filled by former military pilots.
- Aviation Industry will need more than 1 million pilots and technicians by 2033, Boeing reports.
- With a 1500 hour requirement to fly a commercial jet, pilots gain those hours as flight instructors in small airports.

# GA *is* Pilots

**General Aviation added 3.02 Billion dollars to  
the 2014 Oregon economy**

- Recreation
- Business Aviation
- Firefighting
- Emergency Services

# OREGON NEEDS A STRONG GA SYSTEM
